

Intalytics' Dave Huntoon to Lead Site Selection Roundtable at the Michigan Continuing Education Program for Real Estate Professionals

ANN ARBOR, MI (February 7, 2019) – Intalytics, a pioneer in predictive analytics, is proud to announce principal and co-founder, Dave Huntoon, will share his vast experience in site selection to retail real estate professionals at the Michigan Continuing Education event hosted by the International Council of Shopping Centers (ICSC) on February 14th, 2019 at the Suburban Collection Showplace in Novi, MI.

The event, "For the Love of Retail Real Estate: Embracing Change and Adapting for Success", kicks off at 7:00 AM Eastern with a continental breakfast where Paul S. Magy, Esq. will welcome professionals and introduce the day's agenda and will conclude at 4:00 PM Eastern.

Roundtable discussions will be held between 8:00 AM Eastern and 9:30 AM Eastern and will consist of 30-minute slots. Intalytics' Huntoon will lead the roundtable "The Art and Science of Site Selection" and share his experience and insights with real estate professionals.

"ICSC provides numerous educational opportunities and we are honored to share our insights to support other real estate professionals", said Dave Huntoon.
